

CASAMBI

HIGH-END
LIGHTING CONTROL

WELL-BEING AMBIENCE

Lighting is an essential design element of modern architecture and takes influence on our well-being, inner rhythm and mood.

A PERFECT SYMBIOSIS

Innovative lighting control meets high-end
Casambi-Ready panel.

SMART AND INNOVATIVE: CASAMBI-READY PANEL

Modern design

Glass surface

Intuitive user interface

Outstanding look and feel

THOUGHT OUT IN DETAIL: FOR A UNIQUE PERFORMANCE

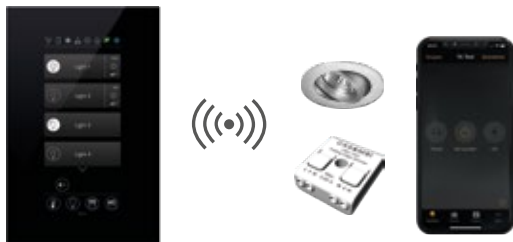

Expectations for intelligent lighting management in a high-end design are high. Discover modern lighting control in a precious design – united in just one Casambi-Ready Panel.

Multiple features extend the possibilities of how we control lights.

Maximum flexibility through Bluetooth® communication between the Casambi®-App and the Casambi-Ready Panel. Simple configuration via Casambi®-App.
